Commissioner Lula M. Ford
Commissioner Mary Frances Squires

FROM: Commissioner Kevin K. Wright
Chair, Electric Policy Committee

DATE: May 19, 2003

SUBJECT: **Electric Policy Committee Meeting**
May 28, 2003 – 1:30 p.m.
Chicago, Illinois

I am pleased to announce that I will convene a meeting of the Commission's Electric Policy Committee on **Wednesday, May 28, 2003, 1:30 p.m.** in the Commission's Chicago Office.

The purpose of this meeting is to consider the adequacy of Illinois electric utilities' supply for Summer 2003. Presentations will be made by representatives of MidAmerican Energy Company, Illinois Power Company, Ameren, and Commonwealth Edison. Key topics for discussion will include forecasted peak demand, reserve margin based on the forecasted peak and the worst-case peak demand as estimated by each utility.

Please allow 90 minutes for this meeting.

NOTE: Future notice of Electric Policy Meetings will be made electronically. In order to continue to receive these notices, please email Kerry Lofton with your email address at klofton@icc.state.il.us.
